

DRIVE

Em

Babe, you've been feeling poorly
I've been dealing with stress
Why don't we go out tonight?
Put on your favorite dress

Am

And let's drive - Into the night, into the light

Em

Bm

Let's ride - /❖/ - Put on an old blues song

Am

Em

Let all our troubles be gone - And (**Let's**) **drive**

Em

Feel like I've been a prisoner - Of my own desire
I've been such a bad listener - But I hear you tonight
