

In Dreams (c)

Out of
Meter
Almost
Spoken

C **Am**
A candy colored clown they call the sandman

Dm **G**
Tiptoes to my room every night

C **Am**
Just to sprinkle stardust and to whisper

F **G** **C**
- Go to sleep, everything is all right

C **Dm** **G** **C**
I close my eyes- Then I drift away- Into the magic night- I softly say

C **Dm** **G** **C**
A silent prayer Like dreamers do
- Then I fall asleep to dream My dreams of U

C **G** **F** **G** **C**
In dreams I walk with you - In dreams I talk to you-

C **C7** **D** **C** **Dm** **G** **C** **Dm** **-G**
In dreams you're mine All of the time, we're Together in dreams, in dreams

C **Fm** **C** **C** **Fm** **C**
But just before the dawn - I awake and find you're gone

C **C** **Dm** **G** **G** **C**
I can't help it, I can't help it, if I cry - I remember that you said G'bye

C **F** **G** **C** **F** **G**
It's too bad that all these things - Can only happen in my dreams

C **D** **Dm** **G** **C**
Only in dreams - In beau-tiful dreams.
