

# It's Just The Sun (c)

**C - G**

It's just the sun - that's shinin' in your eyes.  
It's just the moon - that is the sun's disguise.  
Just the sky - with clouds a blowin' by.  
The sun & the moon & the sky, & you & I.

It's just the rain - that's rollin' down my cheek.  
It's just the wind - that makes me hear you speak.  
It's just the song - that anyone can sing.  
The rain and the wind and the song  
- and the love you bring.

**F - C**

Do - Do - Do ... (Humm a lead)

-----

It's just the world - that's gonna break your heart.  
It's just the past - that's tearin' us apart.  
It's just the time - we have so little of.  
The world and the past and the time  
- that we fell in love.
