

# A Little Too Late

It's a little too late - I'm a little too gone,  
A little too tired of this hangin' on  
So I'm letting go - while I'm still strong enough to

It's got a little too sad - I'm a little too blue  
It's a little too bad you were too good to be true  
I'm big time over you baby - It's a little too late

No I don't want to want to talk about  
what we can do about us anymore

Only time you and me wastin'

is the time it takes to walk right out that door

Yeah talk about water - under the bridge,

You should know by now girl that's all this is

There was a time, this heart of mine,  
would take you back every time - don't you know  
It's been two packs of cigarettes - a sleepless night  
a nervous wreck, a day ago.

Now you ain't got no business - coming around  
I'm closing up shop - Shuttin' us down

**[ C ]** ... I'm big time over you baby, It's a little too late
