If you should ever - want to be set free
If you're not certain - your future lies with me
I'll let you go girl - until your heart is sure
It's a love worth waiting for

Now I won't stop you - from leaving cause I know
The way to keep you - would be to let you go
& I'm prepared to wait a thousand years or more
It's a love worth waiting for

 *If you should leave me - Oh please remember*

- **3** - In my heart there's a fire
A flame of desire - for your charms

I will keep you alive - this glowing ember

- **4** - A love that will burn until
you're back in my arms

You know my darling - I need you here with me
But only to stay because - it's where you ought to be
Cause I'm prepared to wait a thousand years or more
