

All You Ever Do Is Bring Me Down

I can't sleep a wink anymore
Ever since you 1st walked out the door
And I just started drinking to forget
But I don't think the worst has happened yet.

All you ever do is bring me down
Making me a fool all over town
They all wonder why I wear a frown
That's cause, Honey,
all you do is bring me down.

< Short Lead – Organ >

Its funny how my whole world fell apart
I think I saw it coming from the start
I tried to tell myself that you'd be true
But I expected way too much of you.
