3 Rnds... in on the break

It's not the way you smile - that touched my heart.
It's not the way you kiss - that tears me apart.

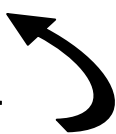

But how many - many nights go by
I sit at home - alone & cry - over you. What can I do?

Can't help myself, - Oh baby...
Cause baby it's you. Baby it's you.

 You should hear what they say - about you
They say -they say you'll never -never ever -be true

 ● It doesn't matter - what they say
I know I'm gonna love you any old way
What can I do? - and it's true.

Don't want nobody - nobody
Cause baby it's you. Baby it's you.
