

# Baby, I need your loving

m4 >> Eb

*Intro: 3 rounds "oooo"*

Baby I need your lovin -- Baby I need your lovin

Although you're never near - Your voice I often hear  
Another day, another night - I long to hold you tight  
Cause I'm so lonely

**Baby, I need your lovin - I got to have all your lovin**  
**Baby, I need your lovin - Got to have all your lovin**

Some say it's a sign of weakness - For a man to beg  
Then weak - I'll never be - if it means havin you to keep  
Cause lately I've been losin sleep

**[ C ]**

Empty nights -- Echo your name  
Sometimes I wonder -- Will I ever be the same

Oh yeah, when you see me smile –  
You know -- Things have gotten worse  
Any smile you might see -- Has all been rehearsed

Darlin, I can't go on without you  
This emptiness wont let me live without you  
This loneliness inside me darlin  
Makes me feel half-alive, 'cause

**[ C ] Baby, I need your lovin - I got to have all your lovin //**
