Down on the corner – by the traffic light.
Everybody's looking – as she goes by
They turn their heads & they – watch her till she's gone
Lord have mercy – Baby's got her blue jeans on.

Up by the bus stop – and across the street
Open up their windows – to take a peek
While she goes walking – rocking like a rollin stone
Lord have mercy – Baby's got her blue jeans on.

{ She can't help it, if she's made that way
She's not to blame if they look her way,
She ain't really tryin to cause a scene
It just comes naturally – Oh, the girl can't help it.

Oh up on main street – by the taxi stand
There's a crowd of people - and a traffic jam
She don't look back – she ain't doing nothing wrong,
Lord have mercy – Baby's got her blue jeans on.
