

Be My Baby

The Ronettes '63
By Phil Spector, etc.

◆◆◆ *Drum + 4 Bars...*

The night we met I knew I - needed you so
And if I had the chance I'd - never let you go

So won't you say you love me
I'll make you so proud of me

We'll make 'em turn their heads
Every place we go - So won't you please...

<i>(Be my be my baby)</i>	Be my little baby
<i>(My one & only baby)</i>	Say you'll be my darling
<i>(Be my be my baby)</i>	Be my baby now
<i>(My one & only baby)</i>	Ooh, ohh, ohh, oh

I'll make you happy, baby - Just wait and see
For every kiss you give me - I'll give you three

{ Oh, since the day I saw you - I have been waiting for you
You know I will adore you - For eternity

So won't you please [C] < *Lead* >

{ Oh, since the day I saw you - I have been waiting for you
You know I will adore you - For eternity

So come on, please [C] [C] ◆◆◆ ///
