

Best of Me

So many years gone, - still I remember
How did I ever let my heart believe
in one who never gave enough to me
And so many years gone, - love that was so wrong
I can't forget the way - it used to be
and how you changed the taste of love for me

You were my one more chance
I never thought I'd find
You were the one romance
I've always known - in my mind
No one could ever - touch me more
I only hope that in return
I might have saved the best of me... - for you

And we'll have no ending - if we can hold on
and I think I've come this far because of you
could be no other love but ours will do

No one could ever - touch me more
I only hope that in return
No matter how much we have to learn
That I might have saved the best,
the very best of me for you
