

Big City

Merle
Haggard

I'm tired of this dirty old city
Entirely too much work & never enough play
And I'm tired of these dirty old sidewalks
Think I'll walk off my steady job today

Turn me loose, set me free
Somewhere in the middle of Montanna
And gimme all I've got comin' to me

And keep your retirement
And your so called social security
Big City, turn me loose and set me free

Been working every day since I was twenty
Haven't got a thing to show
for anything I've done
There's folks who never work
& they've got plenty
Think it's time some guys like me
had some fun

Yeah, Big City, turn me loose & set me free.
