1 bar ... P/U in 2nd bar

Come and look out through the window
That big old moon is shining down
Tell me now, don't it remind you - Of a blanket on the ground
Remember back when love first found us
We'd go slipping out of town
& we'd love beneath the moonlight - On a blanket on the grnd

I'll get the blanket from the bedroom
And we'll go walking once again
To that spot down by the river
Where our sweet love first began
Just because we are married
Don't mean we can't slip around
→ So let's walk out through the moonlight
And lay the blanket on the ground. //

< ending bar + Setup bar... >

Oh, remember how excited
We used to get when love was young
That old moon was our best buddy
We couldn't wait for night to come
Now you know you still excite me
I know you love me like I am
Just once more, I'd like to love you - On the blanket on the grnd
