Blue Moon

Blue moon - You saw me standing alone
Without a dream in my heart
Without a love of my own

Blue moon - You know just what I was there for
You heard me saying a prayer for
Someone I really could care for

And then there **<u>suddenly</u>** appeared before me
The only **<u>one</u>** my arms will ever hold
I heard some**<u>body</u>** whisper, "Please - adore me"
And when I **<u>looked</u>**, the moon had turned to gold

Blue moon - Now I'm no longer alone
Without a dream in my heart
Without a love of my own
