Last Tonic > Hear 7th
> Start octave on 7th

*You tell me that you're leaving
I can't believe it's true
Girl, there's just no living – without you.*

Don't take your love away from me.

Don't you leave my heart in misery.

If you go then I'll be blue.

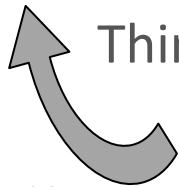

- 'Cause breakin' up his hard to do.

Remember when - you held me tight?

And you kissed me all through the night?

Think of all that we've been through.

- & breakin' up is hard to do.

**Return
for Fast**

(They say that breakin' up is hard to do.)

Now I know, I know that it's true.

(Don't say that this is the end.)

Instead of breakin' up,

I wish that we were makin' up again.

I beg of you don't say goodbye.

Can't we give our love another try?

Come on, baby, let's start anew.

- 'Cause breakin' up is hard to do.

Do-do-do down doobie-doo-down-down. - Com-a, com-a,... - [REPEATS]
