

Broken Arrow

Rod Stewart
p3 ... F

After flute intro... on the 5th

Who else is gonna bring you - a broken arrow
Who else is gonna bring you - a bottle of rain
There he goes - moving across the water
There he goes - turning my whole world around

Do you feel what I feel
Can we **make** it so that's - part of the deal
I gotta **hold** you in these **arms** of steel
Lay your heart on the line - this time

I wanna **breathe** when you breathe
When you whisper like that - hot summer breeze
Count the beads of sweat that - cover me
Didn't you show me a sign - this time

[C] ... *fine* + 2 bars Do you feel what I feel -X2

Ah, can you **see** what I see
Can you cut behind the - mystery
I will meet you by the - witness tree
Leave the whole world behind

I want to come when you call
I'll -get -to -you -if -I - have to crawl
They can't hold me with these - iron walls
We got mountains to climb,.. to climb

[C]
