

# Check Yes or No

<b>Band: F</b> <b>Solo: E</b>
----------------------------------

It started way back in third grade  
I used to sit beside Emmy Lou Hayes  
A pink dress, a matching bow, and her ponytail  
She kiss'd me on the school bus- but told me not to tell

Next day I chased her 'round - the playground  
'Cross the monkey bars - to the merry-go-round  
And Emmy Lou got caught - passing me a note  
Before the teacher took it - I read what she wrote.

Do you love me - do you wanna be my friend  
- And if you do  
Well, then don't be afraid to take me by the hand  
- If you want to  
I think this is how love goes - Check yes or no.

Now we're grown up - and she's my wife  
Still like two kids - with stars in our eyes  
Ain't much changed - I still chase Emmy Lou  
Up and down the hall - around the bed in our room

Last night I took her out - in a white limousine  
Twenty years together - she still gets to me  
Can't believe - it's been that long ago  
When we got started - with just a little note.

[Chorus] - / - [Chorus] - - Check yes or no ... ..
