

# Cherry Bomb

## 2 Full(4) X intro

Well I lived on the outskirts of town  
In a eight room farmhouse, baby  
When my brothers and friends were around  
There was always somethin' doin'  
Had me a couple of real nice girlfriends  
Stopped by to see me every once in while  
When I think back about those days  
All I can do is sit and smile

That's when a smoke was - a smoke  
And groovin' was groovin'  
And dancin' meant everything  
We were **young** & we were improvin'  
Laughin', laughin' - with our friends  
Holdin' hands meant somethin' baby  
Outside the club, **cherry** bomb  
& Our hearts - were really thumpin'  
Say **yeah** yeah yeah  
Say yeah yeah yeah

**2X**

*The winter days they last forever*  
But the weekends went by so quick  
Went ridin' around this little country town  
We were goin' nuts, girl, out in the sticks  
One night, me with my **big** mouth  
A couple **guys** had to put me in my place  
When I see those guys these days  
We just **laugh** & say do you remember when

***Chorus* /// 2X**

Say yeah yeah yeah **X 4**

Seventeen has turned thirty-five  
I'm suprised that we're still livin'  
If we've done - any wrong  
I hope that we're forgiven  
Got a few kids on my own  
And some days I still don't know what to do  
I hope that they're not laughin' too loud  
When they hear me talkin' like...  
- this to you

***Chorus***
