

# Auld Lang Syne

*Robert Burns*

*words adapted*

Scottish Poem - (1788) - means *Times Long Past*

Should old acquaintance be forgot,  
and never brought to mind?

Should old acquaintance be forgot  
and days of auld lang syne?

For auld lang syne, my dear,  
For auld lang syne,  
We'll take a cup o' kindness yet  
**For auld lang syne.**
