

It's beginning to look a lot like Christmas

Full turn around

It's beginning to look a lot like Christmas

Ev'rywhere you go;

Take a look in the 5-&-10,

- glistening once again

With candy canes and silver lanes aglow.

It's beginning to look a lot like Christmas,

Toys in ev'ry store,

But the prettiest sight to see

is the holly that will be

On your own front door.

A pair of hopalong boots &

a pistol that shoots

Is the wish of Barney and Ben;

Dolls that will talk and will go for a walk

Is the hope of Janice and Jen;

And Mom & Dad can hardly wait

for school to start again.

It's beginning to look a lot like Christmas
Ev'rywhere you go;
There's a tree in the Grand Hotel,
one in the park as well,
The sturdy kind that doesn't mind the snow.

It's beginning to look a lot like Christmas;
Soon the bells will start,
And the thing that will make them ring
is the carol that you sing
Right withinyourheart. ///

A pair of hopalong boots &
a pistol that shoots
Is the wish of Barney and Ben;
Dolls that will talk and will go for a walk
Is the hope of Janice and Jen;
And Mom & Dad can hardly wait
for school to start again.
