

Santa Wants to Take You for a Ride

The Mavericks '18

2 drum rnds + 4 bass rnds

Santa wants to take you for a ride
Wants to drop it into overdrive
When he does just hold on
Hold on for your life
Santa wants to take you for a ride

Santa's going to stuff your stocking full
He knows just what you want - cause he's no fool
He's got a treat he's saving
Saving just for you
Santa's going to stuff your stocking full
