

Cowboy Blues

Key: F

Well there's a lonesome feelin that comes over me
When I hear the highway moan
I know it's where the good lord meant for me to be
A dreamin drifter far from home

I roam from town to town out on the interstate
I'm always only passin through
I need my woman's loving she's so far away
I'm singing the cowboy blues

Stranger don't you know I'd like to be your friend
If I had the time to stay
But I'm a tumbleweed a blowin in the wind
I've got to catch another stage

I strap on my guitar just like a .45 -
I pray each night my aim is true
I'm shootin for the heart a lookin in your eyes
Singing the cowboy blues

>>> **LEAD**

Sometimes I get to thinking bout settlin down
Fade off in to a memory
Every night that I step out - to face the crowds
I know this is the life for me

Last Verse

Repeats...

... I owe my soul to the company store.
