

# **Crazy Little Thing Called Love** Michael Buble

---

This thing called love, I just can't handle it  
This thing called love, I must get 'round to it  
I ain't ready.....Crazy little thing called love

Well, This thing - called love  
It cries - in a cradle all night - It swings, it jives  
It shakes all over like a jellyfish  
I kinda like it .....Crazy little thing called love

**B** There goes my baby  
- She knows how to rock & roll  
She drives me crazy  
She gives me hot and cold fever  
Then she leaves me in a cool, cool sweat

**V** I gotta be cool - relax  
- Get hip, get on my tracks  
Take a back seat, hitch-hike  
And take a long ride on my motor bike  
Until I'm ready...Crazy little thing called love
