

(E) Cryin for Nothing

I am a - full grown fool, and I
- should have know better, but I
- tried and I tried, and I
- could not forget her, I would
- go back to her, Time after time
Man I must have been out of mind

> its All of that crying for nothing
> its All of that Trying for nothing
> What has it ever got me
> What has it ever taught me
> I've got to keep believing
> In something baby
> Instead of just trying for nothing
> Crying for nothing at all

Well we - fought for luv, & we
- fought for trust, And the
- whole blessed time It was
- right there in front of us, we
- could not reach it
I don't know why
it took so long- Just to say goodbye

> Chorus <

Her friends all told Her - Mine told me
But we -would not listen- could not see
Me and my pride - Her and her dreams
We never ever stood a chance it seems
