I was all right - for a while - I could smile for a while
but then I saw you last night, You held my hand so tight
When you stopped to say hello

Oh, you wished me well - You couldn't tell
That I've been - Crying, Over you - Crying, Over you..

.. **and You** - said so long Left me standing, all alone
Alone and crying, crying, crying, crying
It's hard to understand
that the touch of your hand - can start me crying

I thought that I - was over you - But it's true, so true
I love you even more than I did before
But darling, what can I do?

For you don't love me - and I'll always be
Crying - over you, - Crying - over you

Yes - now you're gone - and from this moment on,
I'll be crying, crying, crying, crying, crying, crying over you
