

Damned If You Do

The Mavericks
2017

Double Intro...

Your **HEART** tells you yes

- But your **MIND** tells you no

You can't seem to find

- Which way you want to go

The **moment** before

- You let **yourself** go

You'll **laugh** just to think

- You'll do it even though

You're **damned** if **you do** - And **damned** if you **don't**
Damned if **you will** - And **damned** if **you won't**

< **Lead** >

And sure as you are

- Of **lessons** you've learned

Decisions you've made

- Will all be overturned

But life all alone

- Is a life unfulfilled

You may not miss the hurt

- But you sure do miss the thrills
