

Dance the Night Away

M3
Key: C#

Here comes my happiness again
Right back to where it should have been
'Cause now she's gone and I am free
And she can't do a thing to me

- just **Wanna** dance the night away
With señoritas who can sway
Right now tomorrow's lookin' bright
Just like the sunny mornin' light

And if you - should see her
Please let her know that I'm well
As you can tell

And if she - should tell you
That she - wants me back
Tell her no - I gotta go
