

Dean Martin Medley

1. Everybody Loves Somebody
2. Sway
3. When You're Smiling
4. You're Nobody Til Somebody

Everybody loves somebody sometime
Everybody falls in love somehow
Something in your kiss just told me
- **That sometime is now**

Everybody finds somebody someplace
There's no telling where love may appear
Something in my heart keeps saying
- **My someplace is here**

When marimba rhythms start to play
Dance with me, make me sway
When we dance you have a way with me
Stay with me, sway with me

Other dancers may be on the floor
Dear, but my eyes will see only you
Only you have the magic technique
When we sway I go weak

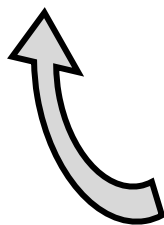

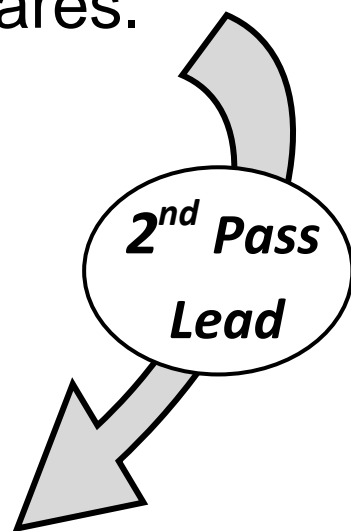

I can hear the sounds of violins
Long before it begins
Make me thrill as only you know how
Sway me smooth, sway me now

When you're smiling - When you're smiling
The whole world smiles with you
When you're laughing - Oh, when you're laughing
The sun comes shining through

→ You're nobody 'til somebody loves you
You're nobody 'til somebody cares.

You may be king, you may possess
the world and it's gold,
But gold won't bring you – happiness
when you're growing old.

The world still is the same,
you'll never change it,
As sure as the stars shine above;
You're nobody 'til somebody loves you,
So find yourself somebody to love.
