

Do You Remember

Intro – 2X

We never talked about it - But I hear the blame was mine
I'd call you up to say I'm sorry
But I wouldn't want to waste your time

'Cos I love you, but I can't take any more
There's a look I can't describe in your eyes
Yes we could try, like we tried before
But you keep on telling me those lies

DYR X2

There seemed no way to make up
'Cos it seemed your mind was set
And the way you looked it told me
It's a look I know I'll never forget

You could've come over to my side
You could've let me know
You could've tried to see the distance between us
But it seemed too far for you to go.

DYR X2

Through all of my life - In spite of all the pain
You know people are funny sometimes
'Cos they just can't wait - To get hurt again

DYR -1

There are things we won't recall
Feelings we'll never find -- It's taken so long to see it
Cos we never seemed to have the time

There was always something - more important to do
More important to say
But "I love you" wasn't one of those things
And now it's too late
