2 bar intro...

The whippoorwill roosts on the telephone pole
As the Georgia sun goes down
Well, it's been a long time but I'm *glad* that I'm
Goin' back to my home town

Goin' down to the Greyhound station
Gonna buy me a one-way fare
And if the good Lord's willin' and the creeks don't rise
By tomorrow, ah, I'm gonna be there

[Don't it make you want to go home?
Don't it make you want to go home?
All God's children get weary when they roam
Don't it make you want to go home?

There's a six-lane highway down by the creek
Where I went skinny-dippin' as a child
& a drive-in show where the meadows used to grow
And the strawberries used to grow wild

There's a drag strip down by the riverside
Where my grandma's cow used to graze
Now the grass don't grow and the river don't flow
Like it did in my childhood days
