Don't Worry Baby

2 round Intro…

Well it's been building up inside of me
    For oh I don't know how long
I don't know why But I keep thinking
    Something's bound to go wrong
But she looks in my eyes –
    and makes me realize - and she says…

Don't worry baby - **Don't Worry Baby**
Don't worry baby - **Everything will turn out alright**
Don't worry baby - **Don't Worry Baby**   - *Don't worry baby*

I guess I should've kept my mouth shut
    when I started to brag about my car
But I can't back down now because
    I **pushed** the other guys too far
She makes me come alive -
    and makes me wanna drive - when she says…

[C] - *<Instrumental Brk --- X2 >*

She told me "Baby, when you race today
    Just take along my love with you
And if you knew how much I loved you
    Baby nothing could go wrong with you"
Oh what she does to me -
    When she makes love to me - and she says…

[C]   *…// ("Everything will…"* **X3** *)*
