

Don't You Care

The Buckingham's '67

If you don't love me - Why don't you tell me

Instead of running around

- With all the other guys in town

Can't you see - You're hurting me

- Don't you care, Don't you care

If you don't want me - Why don't you tell me

Instead of telling lies - and always making me cry

Can't you see - You're hurting me

- Don't you care, Don't you care

Whatever happened -

To all the good times we used to have

The times we cried and laughed

I want to know, I want to know

Will you ever love me again

Or will I find out that this is the end

Don't you care... / (*mid 3rd bar*): My my my my baby

You said that you'd believe me

- Then why'd you ever leave me

I'm standing here all alone

- Without a girl of my own

Can't you see - You're hurting me

Don't you care, Don't you care ... 3 ½ sets ... //
