

Dream Lover

Every night, I hope and pray
A dream lover will come my way
A girl to hold in my arms
And know the magic of her charms

Because I want -- a girl -- To call -- my own
I want a dream lover - So I don't have to dream alone

Dream lover, where are you
With a love oh so true
And a hand that I can hold
To feel you near when I grow old?

Someday--I don't know how
I hope you'll hear my please
Some way--I don't know how
She'll bring her love to me

Dream lover, until then
I'll go to sleep and dream again
That's the only thing to do
Until my lover's dreams come true
