

# Drinking Problem

Midland  
m2=G

Notes are 6 - 1 - 2

One more night, - one more down

One more, one more round -

First one in, - last one out

Giving this town lots to talk about

But they don't know - what they don't know

**A**

People say I've got a drinkin' problem

That ain't no reason to stop

People sayin' that I've hit rock bottom

● Just cause I'm living on the rocks

**B**

It's a broken hearted thinkin' problem

So pull that bottle off the wall

People say I've got a drinkin' problem

But I've got ● no problem drinkin' at all

**C**

● They keep on talkin' - drawing conclusions

*SKIP >>* ● Just sitting here in all my - grand illusions

They call it a problem, I call it a so-lu-tion

**D**

.....  
Last call gets - later and later

I come in here so I don't have to hate her

**SAME** old folks, - SAME old songs

The same old, - **SAME** old blue neon

The same old buzz, - just because
