

Even The Man In The Moon Is Crying

Mark Collie

Intro 2 passes..

I walked her to the plane in Phoenix,
I said: ● "Say hello to your mama."
She couldn't even look me in the eye.

I drove out to the desert,
Just like nothing happened,
But somewhere in the darkness,
I heard her say good bye.

Now I hear voices in the wind,
Sayin' she ain't coming back again.
I look for guidance in the sky,
But the stars have all gone out tonight.
I feel like the love of my life is dying.
Even the man in the moon is crying.

Setup 1 pass...

I'm burning up this blacktop,
Headin' down to Dallas
I wonder if she misses me tonight.
I wish that I could tell her,
How much I love her.
And I wish this damned ol' Thunderbird could fly.
