

# Evil Ways

You've got to change your evil ways... baby  
Before I stop loving you.  
You've got to change... baby  
And every word that I say, it's true.  
You've got me **running and hiding** - All over town.  
You've got me **sneaking and peeping**  
And running you down - This can't go on...

Lord knows you got to change... baby.  
When I come home... baby  
My house is dark and my pots are cold  
You're hanging around... baby  
With Jean and Joan and a who knows who  
I'm getting **tired of waiting** and **fooling around**  
I'll find somebody,  
    who won't make me feel like a clown  
This can't go on... Lord knows you got to change
