Never know how much I love you  
Never know how much I care  
When you put your arms around me  
I get a fever that's so hard to bear

You give me fever - when you kiss me  
Fever, when you hold me tight

**Fever** in the morning -// - *Fever all through the night*

-----

Sun lights up the daytime  
Moon lights up the night  
I light up when you call my name  
And you know I'm gonna treat you right

[ C ] >//> ●Everybody's got the fever  
That is something you all know  
Fever isn't such a new thing  
Fever started long ago
