

Follow That Dream

Follow that dream, I gotta follow that dream
Keep a-movin, move along, keep a moving

I've got to follow that dream wherever **that dream may lead**
I've got to follow that dream **to find the love I need**

When your heart gets restless, time to move along
When your heart gets weary, time to sing a song
But when a dream - is calling you,
There's just one thing that you can do

I've got to follow that dream wherever that **dream may lead**
I've got to follow that dream **to find the love I need**

>> Keep a-movin, move along, keep a-moving

Got to find me someone - whose heart is free
Someone to look for - my dream with me
And when I find her - I may find out
Just what my dreams - are all about

I've got to follow that dream wherever that **dream may lead**
I've got to follow that dream **to find the love I need- X 2**

>> Keep a-movin, move along - **X 3 Totl**
