For once in my life

- I have someone who needs me

Someone I've needed so long

For once unafraid - I can go where life leads me

And somehow I know I'll be strong

For once I can touch

- What my heart used to dream of

Long before I knew

Someone warm like you

- Could make my dream come true

For once in my life - I won't let sorrow hurt me

**Not** – like - it's hurt me before

For once I've got someone - I know won't

desert me ----- I'm not alone anymore

➔ For once I can say - This is mine, you can't take it

As long as I've got love - I know I can make it

**For once in my life - I've got someone /3/**

who needs – me //
