

Funny How Time Slips Away

Key: D

Well, Hello there, [Hello] ... Its been a long long time.
[How ya' doin'?]

How am I doing, [Just Fine] ... I guess I'm doing fine.
Its been so long now, and it seems that
It was only - yesterday.
Ain't it funny, how time slips away.

How's your new love?... [Just Fine] I hope that he's doing fine.
Heard you told him, [Love You] that you'd love him till the end of time.
Now that's the same thing, that you told me
Seems like just - the other day,
Ain't it funnyhow time slips away.

Gotta go now, [So Long] ... guess I'll see you around.
Don't know when though, [Don't Know] ...
Never know when I'll be back in town.
But remember, what I told you,
that in time, you're gonna pay.
Ain't it surprizing, how time slips away.
