4X intro

An old cowboy went riding out one dark and windy day ●●●●
Upon a ridge he rested as he went along his way ●●●●
When all at once a mighty herd of red-eyed cows he saw ●●/
A-plowing through the ragged sky and up the cloudy draw

Their brands were still on fire & their hooves were made of steel ----- Their horns were black & shiny & their hot breath he could feel ----- A bolt of fear went thru him as they thundered through the sky ----- For he saw the Riders coming hard & he heard their mournful cry

Their faces gaunt, their eyes were blurred, their shirts all soaked with sweat ----- He's riding hard to catch that herd, but he ain't caught 'em yet ----- 'Cause they've got to ride forever on that range up in the sky
On horses snorting fire,...as they ride on hear their cry

As the riders loped on by him he heard one call his name
If you want to save your soul from Hell a-riding on our range
Then cowboy change your ways today or with us you will ride
Trying to catch the Devil's herd, across these endless skies
