

# Givin' it Up For Your Love

{  
Givin' it up for your love - everything  
Givin' it up for your love right now  
Givin' it up for your love - everything  
Givin' it up for your love right now

My heart is aching for you, I can't stand it  
I need your love, am I so demanding?

[ C ]

Well I thought about it - you know I'm not playing  
You better listen to me - every word I been saying  
Hot is cold, what's cold is hot

I' m a little mixed up,

- but I'll give it everything I've got

Don't want your money, don't need your car

I'm doing all right, doing all right so far

[ C ]

I know you told me - that you'd always love me

And I believed it was true

So I saved the best and I'm ready

My love only just for you

Come back here, come back real quick

my heart is aching, and my body's feeling weak

I'll be alright, I'll be OK

Come on baby, listen to what I say

I don't need your money, don't need your car

I'm doing all right, doing all right so far
