Everybody's gone away,  
Said they're movin' to L.A.  
There's not a soul I know around,  
Everybody's leavin' town

Some caught a freight, some caught a plane  
Find the sunshine leave the rain  
They said this town will waste your time  
Guess they're right - it's wasting mine

[ Some gotta win, some gotta lose  
Good Time Charlie's got the blues  
Good Time Charlie's got the blues

< Turnaround > ...

You know my heart keeps tellin' me  
You're not a kid at thirty-three  
You play around you lose your wife,  
You play too long, you lose your life

Got my pills to ease the pain,  
Can't find a thing to stop the rain  
I'd love to try and settle down,  
But everybody's leavin' town
