

Harvest Moon

Neil Young '92

> 4 passes ... then off of the "4" chord

... Come a little bit closer - Hear what I have to say
... Just like children sleepin'
We could dream this night away.

... But there's a full moon risin -
- Let's go dancin in the light
(3> We know where the music's playin'
Let's go out and feel the night.

[...Because I'm still in love with you
I want to see you dance again
Because I'm still in love with you
On this harvest moon.

...When we were strangers - I watched you from afar
...When we were lovers - I loved you with all my heart

But now it's gettin late - & the moon is climbin high
... I want to celebrate - See it shinin' in your eye.
