

Hello Dolly

Key:_____.

I said hello, dolly,.....well, hello, dolly
Its so nice to have you back where you belong
You're lookin swell, dolly.....i can tell, dolly
You're still glowin...You're still crowin...You're still
goin strong

I feel that room swayin.....while the bands playin
One of your old favourite songs from way back when
So..... take her wrap, fellas....
 ...find her an empty lap, fellas
Dolly'll never go away again
