## *Intro – to Break...*

I'm checking out of Hotel Loneliness  
All my lonely days, they're all through  
I'm checking into Hotel Happiness  
Because, darlin', -- I found you

I left my teardrops in that old lonely room  
Left my broken heart - back there, too  
I won't be needin' them **in** - Hotel Happiness  
'cause, darling, I found you

{ I woke up - dreamin' of your crazy kisses  
I woke up tellin' Mr. Misery "Here's your key"

## *'cause...*

I'm checking out of Hotel Loneliness  
And no, I won't be back, yes it's true  
Gonna make my new address  
at Hotel Happiness  
You know why, darlin', so glad I found you

No more, - make my new address  
at Hotel Happiness  
'cause, darlin', I found you //
