

How Sweet It Is

Needed the shelter of someone's arms

- And there you were

Needed someone to understand my ups and downs

- And there you were

With sweet love and devotion - Touching my emotions

I wanna stop - And thank you baby

I just wanna stop - And thank you baby - *Whoa Yeah*

How sweet it is to be loved by you – **X2**

I close my eyes at night

Wondering where would I be without you in my life?

Everything I did was such a bore

Everywhere I went you know - I'd been there before

But you brighten up for me all my days

With a love so sweet in so many ways

[C]

You were better to me than I was to myself

For me there is you and there ain't nobody else
