I just can't help believin'  
When she smiles up soft and gentle  
With a trace of misty morning  
And the promise of tomorrow in her eyes

I just can't help believin'  
When she's lying close beside me  
And my heart beats with the rhythm of her sighs

[ This time the girl is gonna stay  
This time the girl is gonna stay  
● For more than just a day

No  
Return

Oh, I just can't help believin'  
When she slips her hand in my hand  
And it feels so small and helpless  
As my fingers fold around it like a glove

I just can't help believin'  
When she's whispering her magic  
And her tears are shining honey sweet with love
