I just can't help believin'
When she smiles up soft and gentle
With a trace of misty morning
And the promise of tomorrow in her eyes

I just can't help believin'
When she's lying close beside me
And my heart beats with the rhythm of her sighs

[This time the girl is gonna stay
This time the girl is gonna stay
● For more than just a day

➤ Oh, I just can't help believin'
When she slips her hand in my hand
And it feels so small and helpless
As my fingers fold around it like a glove

I just can't help believin'
When she's whispering her magic
And her tears are shining honey sweet with love
