

I Said I Love You

The Mavericks '02

4 Round Intro

We've been leading this way for a while
Always keeping our hearts to denial
But the rules of the game are as such
There are some things you never should rush

With the way that you looking tonight
It was only a matter of time - Before I get so overwhelmed
That I just could not help myself

I- said - I love you, I didn't mean to..
But the moonlight just gave me away
Now that I said it, try to forget it..
And pretend it was all a mistake
I keep on trying... to deny it..
This feeling that I know to be true..
▶ Stumbling and falling and still after all
I keep fallin' - in love with...you. //

{ *Short Sax solo - 2 Rounds* }

What's the point of this masquerade
After all of the cards have been played
Now, there's nothing for me left to hide
I hope I have faith on my side

Either way I got nothing to lose - So surrender is all I can do
And if you should be mine in the end
I'll remember- it all happened when
